“ The passing from this life into the next is the final trial of a life well lived. Surely your mom lived a good life filled with love and laughter - now her physical trials are laid down and she and your dad are united again. Fondly remember the special times and joys of life you shared. Our sympathy for your loss and prayers for your comfort.

“ I always enjoyed our visits to Aunt Alda and Uncle Jerry. The many games of cards, the walks to the store for candy or soda (because we always went in the summer and it was always HOT...), the pasta we made in the cellar and all the wonderful meals we had around their dining room table and so many other things. I will always remember those times and cherish them forever.

“ I was blessed to have the privilege to have Miss Alda enter in my life 3 years ago at Margate Manor. Miss Alda and Irma very quickly an important part of my life. Miss Alda had a smile that lit up a room. She was so kind, gentle and so grateful for everything. I will always remember her smile and how good she made me feel when I was the one trying to make everything better for her. My life will be better because she was in it. Although I am sad and miss you I am so happy that you and your husband are together again. Thank you for allowing me to be a part of your family. Rest in Peace. Love you always, Loretta

“ I have so many cherished moments and memories of Gerry and Alda, my beloved cousins that I would run out of space to express all the wonderful times shared. They both had a heart of gold and found only good things in most people. They were beyond special. I suffered watching Alda deteriorate these past years. The memories and laughter shared with them both will remain with me forever. She was a loving and very intelligent individual. I know they are together and Alda is at peace. She missed him so. I love you my dearest cousin and I am happy that you are now with each other and with our LORD.
FOREVER YOU WILL BE IN MY HEART AS GERRY HAS SINCE HE PASSED.
WITH MUCH SYMPATHY,

“ Irma I echo the beautiful loving memories of your mom and dad. The dinners we had at your home in Coral Springs and your parents' home in Aliquippa will be forever in my memory. You were so loved by both Alda and Gerry. You have been a wonderful daughter and caregiver. Seeing your Mom suffer so these last few years has been so difficult for you and your family that loved her so. Alda was a delight whenever you were around her. I am so glad I got to spend the time I had with her. I know your Dad welcomed her with open arms (telling you, his sweetie, that he would take care of your mom in eternal life and asking you to let her go.) My arms are around you now my dear, dear Irma. I cry for you now and will always miss them both.

Jack and I love you and will be here for you always.
