“ My Aunt Marion was the best cookie baker, and her crocheting was the best. She crocheted bells for the Xmas tree, and angels, candy canes and a lot more and would give me these for my tree. She also taught me the easy way to make lady locks. She will be missed. A very creative lady

“ Marion was my wonderful sister who I love with all my heart. I have so many many memories of her that it is hard to just share a few. She could go out in my yard and in 3 min. find at least three 4 leaf clovers, she had a gift finding them. I remember when I was only 6 years old, her and Bobby cut my hair so short, that it looked like they put a bowl on my head and cut it that way. Of course I was upset but they thought it was funny, she never let me forget my "cute" hair cut they gave me. She saved me when I was buried in the deep snow, when I was about 5 years old, she ran out in her bare feet, in freezing weather to save me.
She took a part of my heart with her when she passed.
Marion, I LOVE YOU
Your sister, Valeria

“ She had a green thumb and could spot those clovers a mile away.

“ I remember being at her house in Aliquippa, when Bobby was alive. I enjoyed going there seeing Gina and Kimmy. I know how close you all were and are. It breaks my heart that she is gone, but I am happy she is at peace, no longer suffering, and she is with Bobby Sr, Kimmy, Debbie, Bobby Jr, aunt Lil, and her mom and dad. They are together, sitting around a table, having coffee. She joined the Angel crew in heaven. Watching over her family and friends. I know she loved all of you.
