“ Anna was my Mom's roommate at Beaver Elder Care. The nurses and staff often told me that she and my Mom must have been sisters in another life because they were best friends but argued like family. She became such an important part of my Mom's life ... therefore, becoming an important part of mine. My Mom passed away on 10/30/22. Anna passed away on 1/30/23... my Mom's birthday. Two beautiful women! I loved her. I am so sad that she is gone, but I hope those two are up in heaven giving them all hell now!!!
