“ Aunt Gayle was like a big sister to me! We were close in age, and my cousin Carole and I went to her house nearly every weekend. My mother (her sister-in-love) and Aunt Gayle had a close relationship. Aunt Gayle and Uncle Fred and my parents were always close. I remember sitting around the dining table listening to them relive their fun times. She will surely be missed by many, but especially by her family members who dearly loved her. So long and Godspeed, Aunt Gayle! xoxo
