“ One of my favorite memories of Barbara was when Bernie and I were pregnant at the same time and gave birth to Michelle and Erin 3 weeks and 4 days apart. After Bernie gave birth 3 weeks later I was folding towels at the laundry mat across from great Grandma and Grandpa's house when Barbara came to check on me. I was rocking side to side in labor. She was so excited she didn't know who to call first so I ended up driving us to the hospital in labor but she was so funny and kept asking me if I was ok. We told jokes all the way to the hospital and got her to laugh. I have very fond memories of Barbara and family. Peace be with you.
