“ I am sad to read of Candy's passing. Her and my Mother (Peggy Shumate) were friends many years ago when we live in Aliquippa. My Mom passed last year so I want to believe that they embraced each other as friends in heaven.

“ My deepest condolences to ALL of Candy's family. I will never forget her kindness and love towards our family. When I think of Candy, I smile. She always had a story for me. If she would call me or see me on the porch, she would always start the conversation with "What's going on !" She was a dedicated worker and she loved her job, probably because she was able to meet so many new people, who became new friends. The lines at her register were long, and many times you could here laughter from Candy, the customer, and the people waiting line! She had a way about her and so many people enjoyed that gift. We've known Candy, Otto and the family for many years and what a pleasure it's been. I love this family and my heart breaks for everyone 💔😔. My thoughts and prayers are with you all.

“ We are so sad to hear about Candy passing. We first met here years ago as we used her often for her catering services. She was a wealth of info concerning hosting! I got to meet up with her again while shopping at Boscov's. I always would go to her to wait on me as I liked talking to her and loved her smile! You will be truly missed Candy! We know you loved your family so much and they will miss a great woman! If we could all strive to be more like Candy!!!💕
