“ I first met Carole while she was visiting my sister Mary and her brother Tom in Key West. I was rather young, but I remember Carole taking me to the beach.
Over the years, through family gatherings, I was able to visit with Carole and have certainly enjoyed those times. She was a very fun lady. As someone else said, her laughter was definitely contagious. My deepest condolences to Carole’s family. She will be missed, but never forgotten.
With love and prayers,
Ramona

“ Carol was a pioneer with me in starting Aliquippa Hospitals Occupational Health Dept. She was a confident skilled nurse whom the patients loved. Her love for Christ was reflected daily in her concern and affection for anyone who was fortunate enough to cross her path. Most of all she glowed anytime she spoke about her family. She is surely sitting at His right hand. Judith Leslie Williams

Although I didn't know Carole real well when I visited Tom and Mary Fullard and Carole was there I could see that Carole was a wonderful Christian lady. She was always cheerful and reflected the character of Christ. I am so sorry to hear of her passing but knowing her I know that she is with her Savior and is enjoying the benefits of heaven.
