“ I worked with Celeste in the Presby OR for many years. She was a great coworker and a wonderful person. I admired her strength and independence and we shared a love of animals. I loved her horse anecdotes and mourned the loss of Velvet with her. I imagine her reunited with Velvet and Maggie, (sweet Maggie!) and know she is at peace. I will miss her and long remember her. “ I worked with Celeste at UPMC for many years in the operating room pharmacy. Celeste was an outstanding pharmacy technician. She was so dedicated to the care and safety of all the patients - many of which needed expert and quick response in life saving surgeries. I enjoyed working with her and sharing her keen wit and humor in some very trying and tiring days. I considered her a friend as well as a close colleague. I am sorry that I lost contact with her after I retired. She will be sadly missed by all that knew her. My sympathy to her family

“ *Celeste was a wonderful owner to her horse Velvet and with her riding buddies she and Velvet rode miles of trails up hills, across meadows, and hunting. The bond we shared over our love of horses was the best thing that we riders experienced together. We will sorely miss Celeste. She is in heaven now with Velvet, her horse, Maggie her old dog and other horse friends who have passed over. See you on the trail ahead Celeste.*
