“ My Father James T Stauffer Sr and I met Claude. When i and father walked at the Beaver Valley Mall in Monaca. Years ago. After my dad had his by pass and needed to walk daily. My father would take breaks, during our walk for the day. While Claude walked 3 times the mall to or one time around the mall. He would always said, Hi as he walked by.

After about a week my father and I was done with our walk. We headed for the front door of the mall to go to the car. Claude and some of Claude's friends were sitting at a table at the food court in the mall. My father stopped, and introduced himself to Claude. Claude asked him to have a seat, for a few minutes. They beginning to talk about where the worked in Aliquippa. Also about people they knew. Mr father and Claude became GREAT friends from that day on.

Then we met his wife Peggy, what a wonderful women she is. Then Peggy and my mother Edith also became BEST friends. I'm glad that my dad and I meet Claude, and my mother. I miss Claude, Very much. And Proud to say I knew him.
GOD Bless You

“*Mrs. Combs, I was saddened to see that your husband passed. I worked with him at A+S the last couple of years before the mill shut down. I wanted to tell you what a wonderful man he was. He was so kind and always a true gentleman. Always a pleasure to work with. I had not seen him since then, but never forgot what a good person he was. We don't get the opportunity to meet many people in our lifetime that make that kind of impression. He was one! Please accept my sympathy. Chris Mangin.*
