“ Danny was as much a brother to me as one could ever be. We met in high school and were part of each other's lives ever since. In my mind I know that he has passed but in my heart he still lives on. I love you brother and I pray that I see you on the other side. Howard.

“ For eight years, Dan and Lisa have been more than neighbors—they have been dear friends and a constant blessing in our lives. Dan was the kind of person everyone hopes to live beside: steady, kind, and always ready to lend a helping hand. Whether it was a small favor or a bigger need, he showed up with a smile and a generous spirit. His passing leaves an emptiness that words can hardly capture. We are deeply saddened by this loss, and we will always carry gratitude for the ways he touched our lives. Dan will be remembered with love, respect, and great affection. Our sympathy and prayers for comfort to the family, but especially Lisa, Danny, Derrick and Kara
