“Denise and I started out as coworkers 32 years ago at Sam’s Club. Many memories many laughs. One of the best was a visit from Denise to Las Vegas at Caesars Palace. We were stepping off Cleopatra’s barge with all the fake fog laughing so hard we missed the steps going down, and she fell into no other than Drew Carey. and the time Jeanie Bagdasarian and myself crashed her honeymoon. The 4 of us had drinks poolside at the flamingo Hotel. □□What a blast . Her laugh was contagious,💔 she will be missed.

“Brenda prayers for you and the family. Denise was a great friend. Memories of our good times including riding in her pinto along with your Dad teaching her to drive stick shift. Going to McDonald’s and backing the car in to see our friends and listening to Foreigner. And all the plans we made after graduation. Fly high my dear friend. You will be missed.
