“ Dorothy and I first met while working at the mall. She talked me into selling Avon with her. We fast became friends, she invited me to go with her to several of her Avon outings. She will be greatly missed by all of those who knew her. I'm sure that she is trying to sell Avon to someone in heaven. Friendships may fade with time and distance but they never truly go away!

Oh Gaga how I will miss you. All the fun we had at bingo nights. The laughter, Avon and love you had for family. I know you will watch over family and extended family. Rest easy now.

Love,  
Annie who-who
