“ I loved Aunt Emma so much. Growing up I would stay at her house when we visited. She was always on the go and making amazing meals. She was positive and loving toward everyone. She was the last of my dad’s siblings, so I feel like it’s the end of an era. I’m blessed to have known her. I’m praying for her family and all who loved her.

“ *My grandmother made a point to be in my life my whole childhood. Even though I was far away, she would send cards and letters often. I still remember meeting her in person for the first time in 2008. She always treated me so kindly. She excepted my daughter and I know she loved us both unconditionally. I know her prayers are what kept me safe. I will truly miss this amazing woman. I love you Nana*
