“ Although our family has been separated by distance here in the United States I have always had wonderful memories of the Pennsylvania branch of the Panella family represented by Julia, Margie, and Florence and their respective family trees. We are bound as cousins in double fashion, being the progeny of the union of two brothers with two sisters, Angelo and Vincenzo Panella to Caterina and Giovanna Impronta in the province of Benevento, Italy during the early 20th century. As a young boy I was always welcomed with warmth and affection by my cousins, Kathy, Ronnie, and Jackie as well as my "uncle" Armand and the rest of the Aliquippa family. I always remember Florence's calm and kind demeanor, and her husband Tony's pipe tobacco. My father, Edoardo, always looked forward to receiving news from Aliquippa at our home in the Bronx, New York. At this point, the torch has passed to a new generation born in the United States but proud of our heritage. I send my love to Florence and hope she is at peace with the rest of the family in Heaven. May she rest in peace. Please forgive any inaccurate facts or omissions. Love to all of our family in Pennsylvania, West Virginia, New York, Benevento, Genova, and Verona, Italy and the Crisi family With great affection from myself, my wife Donalynn, and my son Michael E. Panella, I remain very truly yours, Vincent S. Panella, MD.

“ My deepest sympathy to th Crisi Family. I was a childhood friend of Kathy, her daughter, from the age of 4 and witnessed firsthand the nurturing love, grace and honor that Mrs. Crisi bestowed on her family. May her memory be eternal. Georgene Snyder
