“ I will always fondly remember Guy. I participated in 2 varsity sports at Hopewell High School. I lived in Raccoon Twp. and had to ride the bus home each evening. Guy was the driver.

We had many surprisingly deep conversations, as we had much time and many miles where it was just the two of us on the bus.

We shared about our families and I vividly recall (I'm now 67 years old) Guy being supportive, kind, encouraging. My father had died years earlier and, in his own way, Guy filled that role. He introduced me to Jordan Almonds!

I don't know why Guy popped into my mind this evening (11/17/23), but I'm happy I did; many good memories.

I hope Guy's family is well and that your hearts are grateful having loved this beautiful child of God. Scott Smallwood, Englewood, FL

“ Guy was a wonderful Husband, Father and our dear friend. We are so sad to read this and our hearts go out to Lisa, Tony and his Grandchildren.

Guy was like family to us and we will miss him.

Yet, we are sure he was ushered into Heaven by angels with Mimi waiting for him.’

“ *He was such a sweet man. Played his harmonica. Drove his old car every day to the senior center for lunch and always had a smile.*
