“ I grew up next door to the Glad family on Grant St. in Aliquippa. It was a great neighborhood to grow up in and Gloria was one of the reasons why. She was an extremely nice woman who always treated me like one of the family. I have great childhood memories of growing up with George and Gloria, Kathy, George Jr. and Kim.

I saw Gloria in recent years, where despite her illness, never lost her sense of humor or kindness. May God Bless her and all her family.

“ I have lived across the street from Gloria for practically my whole 70+ years. My mother Carol and her were fast friends for decades, and her family were lively members of the Grant Street neighborhood. Gloria was a strong woman, a devoted wife and mother, and a most public-spirited resident. I've thought of her often over the past some years now, and offer my deepest condolences to her children and their families. Rest in Peace and God be with you, Gloria -- you've been a bright star in the galaxy of the Greatest Generation!!
