*Sorry to hear of his passing. I have so many wonderful memories of him. Especially when we were young and I'd run home every time I saw his truck coming down the hill after work because he would always tease me trying to kiss me. Ha ha!! I consider most of your family, my family and I'm sorry we aren't there. Your dad had a strong faith so it's comforting knowing that he's with our Lord and Savior. Until we meet again "Gussie". We love you guys!! 💔💔*
