

## Janet (Gray) Lord

June 1, 1959 - January 18, 2023

Janet Marie Lord, nee Gray, 63, of Aliquippa passed away peacefully on Wednesday, January 18, 2023. She was born on June 1, 1959, to the late Thomas and Elizabeth Gray.

Janet found her greatest joy in life was giving and helping others. She worked for several years as an educator at Monaca Jr. High School, teaching English and Literature, instilling her love for reading in her students. Later in life, Janet founded a local charity group, 'We Choose Joy.' A group that aimed to organize donations to various local organizations, such as the Humane Society and Women's Shelter. She also routinely volunteered at The Caring Place, a center that provides support to children grieving the loss of a loved one.

A great lover of life, Janet was always up for an adventure, frequently traveling across the country to spend time with loved ones. She also enjoyed cooking, true crime, mystery novels and wine. She had a lifelong love for Lucille Ball and Hollywood films. Most of all she cherished time spent with her beloved family and friends.

Janet's family would like to extend their sincere gratitude to all of those who were with her in her last days and provided tangible and emotional support, including the doctors and nurses that cared for her.

“ Janet and met at Pitt when she pledged Delta Zeta as a freshman, I was a sophomore and already a sister. We became very fast friends and were basically inseparable for years until marriage and children came along, taking precedence in our lives. Janet was a bright shining spirit who lit up every room she ever entered. I can say with complete honesty the best times of my young adult life took place at her side. One year her family was kind enough to invite me along on a vacation to Cape Cod, igniting a lifelong love of Martha’s Vineyard. It’s impossible to sum up my love of Janet in words, I’ll leave it with the belief I was privileged to call her not only my friend but also my sister.

*I met Janet a few months ago when I visited the Highmark Store in Robinson. I needed some guidance on Medicare and she and I just clicked! We started talking about doctors, family and our work backgrounds. Turns out we both worked at USAirways in very different groups but knew many of the same people. Janet and I both lived in Aliquippa and we both started going to the same PCP this past May. Janet was smart, kind and so helpful - turns out she use to work with my new neighbor. Janet helped me get into a special Grant program to offset an expensive medication. I am so sorry for your loss - you had a wonderful mother who loved helping others. My thoughts are with you,
