“ I had the honor of first meeting Jerry over 30 years ago when I started dating my now husband. I will never forget all the fun and crazy times we all had together over the years especially when he was one of the groomsmen in our wedding. That was definitely a memorable day with his antics. I will forever miss his laugh, personality, kindness, and most of all, his love of life. You left this world way too soon Jerry but I am sure your heavenly presence will keep God smiling and your spirit will always remain in our hearts that will keep all of us laughing. RIP my friend.
