“ *Little family, we are truly sorry for your loss. Jill was so kind and pleasant and we are thankful for the time that we've spent with your family at the softball field. My favorite memory of Jill is when we would all attend a very cold softball games at YSU and she would offer me a blanket. I would say no thank you, I'm OK, and then a few innings later she would ask again (noticing me shivering:) and I would refuse it again. Finally, Jill would just bring me a blanket and say take it:). She was so kind, thoughtful and a great human to be around. She will be missed. Our prayers are with your family. - The Wilkersons*

“ Jill ~ You were an amazing neighbor and friend. I'm a better person having known you. I have so many fond memories with you including Pitt games, concerts, and walks around the neighborhood. We both loved crafting, although you were so much better at it. I can't even explain how dearly you will be missed. I will keep you in my heart forever, dear friend.
