“ Thinking of Koula this morning as I am listening to church. Remember the time we were the only 2 with hats on in church. May she be happy in Heaven.

“ I was blessed have met Koula many years ago through my best friend Rita Ebner Caste. I have the most wonderful memories of Koula and her “go, go, go” spirit. Every summer we had a girls Wine and Whine weekend at her home on Cheet Lake. What fun we had on the jet skis, motor boat, playing golf and just girlfriend camaraderie. She was always so welcoming. We enjoyed many Steeler games together and she even visited us in Florida. Her love of family and the Lord was an inspiration to all of us. While I feel a sense of loss at her passing, I smile knowing she is once again with Glenn and Rita. I am certain heaven is a much livelier place now. My deepest sympathy to all of you. I , remember, Marie how close you were. Please know that her presence on earth made a difference. She was a shining light.
