“ Larry, My Friend.....Mark Tobin here. I have many memories....but...there is one that stands out from the rest. About 23 years or so ago, you and Felicia welcomed this Irishman to your home for an incredible Italian cuisine dinner and many years later, I keep coming back. Your SPIRIT will remain around the dinner table, yet I will feel the void of you not being present physically. There is a but...I will smile as I think about our many discussions . Felicia and your son Mark will remember one Sunday when I learned that you were a gifted musician that could play by ear. I asked you if we could have a duet of Shubert's Ave Maria with you playing guitar and I would sing. We were successful on the first attempt as we gave praise to OUR BLESSED MOTHER. LOL...you did tell me that I was going to have to keep up and follow your playing and not my singing as the lead..lol...we were instant friends!!! Jesus welcomed you HOME now and said...."FINE JOB MY FRIEND...Do Not worry...you will see Your Loved Ones In Time...For Now Show Me How You Built all of Those Conveniences such as a Doggie Ramp for a puppy to get in the car...or an elevated off the floor doggie dish for Benny Pumpkin the 100 pound Chocolate Lab that would sit in your lap. Is he not the dog that when he was a puppy you told everyone not to humanize this dog.....Hhhmmmmm. ...Larry...see you again in time...and thanks for the ALWAYS WELCOME. Love you....Mark
