

Laura Simone

June 3, 1970 - March 1, 2019

Laura Simone passed away on March 1, 2019, at the age of 48 years. She always will be loved, cherished, and remembered by her beloved husband and partner Keith Seager, by her parents Carolie and Al Simone, by her brother Ed and sisters Karen and Debra, by her nieces and nephews, by her long-standing friends Randy Rogers and Hugh McShane, and by her many friends in the community at large.

Laura was born in Cincinnati, Ohio and lived and worked in, and visited, locations throughout the United States and in countries on three continents. She attended Oregon State University, University of Hawaii, Nazareth College, and Rochester Institute of Technology.

Most recently, she was actively engaged in a successful and expanding entrepreneurial endeavor, which she established as Laura's Loving Pet Sitting/Walking Services, Inc. She delighted in the interaction with her customers and their pets.

Prior to that, she was a successful sales representative and Account Operations Manager for the Xerox Corp., earning top awards for her work at the highest levels within the U.S. Defense Department and key industrial corporations. Before joining Xerox, she was the manager of a General Nutrition Center store in Rochester, NY, and director of the advertising campaign for the Mall in which the store was located.

Laura had a big heart. She was caring and generous to anyone in need. This spirit carried over to her love for animals. In particular, her three pet dogs –

Keaka, Pavi, and Spot – were her “children” and integral to her household and life.

Laura’s memory will be celebrated on Wednesday March 6 from 3:00 p.m. to 7:00 p.m. at the Anthony Mastrofrancesco Anthony Funeral Home Inc., 2026 McMinn St., Aliquippa. 724-375-0496

“ I met Laura and Keith when my neighbor and I were looking for a pet sitter. We instantly fell in love with them both. We had them over for dinner and was invited into their new home for fellowship. Laura was a very generous person, she was always "giving" us stuff. She had a heart of god and loved, loved animals. We loved how she would share pics when she came to sit. My heart goes out to Keith and her family. I hope that she is in peace and surrounded by fur babies of all kinds.
