“ My deepest sympathy to the Welsh and Pickens families. I didn't know Laurie very well in high school. Although, when I moved to Scottswood Apartments we got to know each other pretty well. Our place to do our biggest talks was the laundry room which was a huge mistake because all we would do was to keep saying, Uh I didn't hear you or what? She was very nice. Then one day she told me she would be moving in with her mom and probably wouldn't be seeing me much. But little did she know that my Moms house was parallel to the Vidonics house. So we were able to carry on our talks. Peace be with you Laurie and your family.

“ *My fondest memory of Laurie dates back to high school. She was a very shy girl at Hopewell High one year behind me. Sweet and kind Laurie. We became friends and I eventually became her sister in law. More her sister in those days. As life moved on I always admired her strong will and love of life. I will miss her very much. Love you my friend. Always!!*
