*Linda, we are cousins yet we didn't see each other since we were teens, I miss Piacentina who would call my mother Pierina and later my aunt Carolina. She kept us connected but after she passed we lost touch. Your mother and her brother were there when my grandmother passed to take care of her funeral. Anna was my grandmother's sister. So much to say wish I could have been there. I think of you and Pietro and Piacentina often. I know you're all with Jesus in heaven. Larry Di Legge*
