“ *VEARL & SHIRLEY HILEMAN lit a candle in memory of Linda Weese*

“ *I've known Linda for most of my life growing up through church, and she became intertwined as family by marriage, and will always be considered as such. She always had a zest for life and a beautiful smile. She got me into the Medical Center as a Clinical Technician where she taught me how to care for patients, and I found my passion. She would be proud of me for working towards my RN currently, and I have her to thank for her wisdom and direction because without her enduring spirit and compassion, I would have given up the thought. May she rest in peace knowing she was very loved and that even though she didn't know, she inspired me to follow my dreams. I know she is resting now and this brings peace to my soul.*

“ A sweet story indeed 😊 As an extended part of Linda’s family, we spent holidays together quite often. 2 years ago, Linda pulled my gift in the Bad Santa exchange at Ashley & Terry’s House. I cannot begin to share with you the great amount of joy she found in such a simple gift, a blanket I had made for the exchange. Linda took that blanket straight to her bedroom so nobody, and I mean nobody would have the chance to be a “Bad Santa” participant in our game 🎲❤️ I don’t think I have ever in my life seen anyone enjoy something this much. I cannot begin to express how happy this made me. I don’t think I have ever been part of making someone that happy, just warmed my heart to no end. Was if Linda’s heart was worn on her sleeve that day, and I believe probably most days. Thank you for making that day so special for ME. Rest In Peace Sweet Linda. Love Liz & Alan Hartman
