August 25, 1972 - July 18, 2020

Louann Progar

After a valiant two-year battle with cancer Louann Marie Progar of Raccoon Township passed away on Saturday, July 18, 2020 at Good Samaritan Hospice at Heritage Valley Health System in Beaver.

Born on August 25, 1972, Louann was the daughter of Karen Bodish Progar and the late Frank Progar, Jr.

Louann loved her dispatch position at Hub Group in Moon Township and was supported by her co-workers, emotionally and financially, throughout her illness, especially her supervisor, Cori Bartlett-Blosser. The staff made sure that all special events in her life were celebrated and lessened the pain of her illness.

In addition to her mother, Louann is survived by her daughter: Nicole Nadzam; her sister: Kimberly (Ken) Hardin; her brother: Frank (Julie) Progar and three nephews. Also surviving are her aunts: Karen Progar and Louann (Roy) Meisinger.

Louann had some incredibly special friends who supported her in her illness. The family wants to thank Louann's lifelong friends: Julia Kryder, Jacki Cardo, Krista Durst and Christine Vandergrift, for their loving help during this difficult time. Thanks to Scott and JW of the Clarks who sent Louann a special recording which she was able to hear and enjoy while in hospice. The family cannot thank Doctors Sherry and Schollaert for their loving care and support.

Louann's always present smile and contagious joy will be missed.

“*Louann was my niece, and namesake, and has been in my life for all of hers. We shared not only the name Louann, but as a little girl, she was called LuLu--my childhood nickname. I, and my husband Roy (her Uncle Roy) know that if Louann could see the outpouring of love for her and the sorrow we're feeling of her passing, she would be so touched. She more than likely would be thanking us for loving her so much and would be trying to comfort us! We can imagine the expression on her face and hear her saying, "Aww." She celebrated with us in joyful times times and sympathized with us during difficult ones. That's the kind of person Louann was--kind, empathetic and big hearted. We will miss her quick and beaming smile and her tender heart.*

“ Dear sweet Louann. You were always a ray of sunshine when I was around you. You were always smiling & laughing even though it may have been hard for you. I have a few good memories of her when she was with all of us up at Jackie's when I was home visiting. We always had such a fun & crazy time with all of us together. One of my favorites was when we were sitting on a couch at Goodwill while Mom, Carrie & Jackie were all in 1 changing room trying on clothes. We could hear all them giggling & laughing & making comments about the stuff. They were being so loud & embarrassing. We sat there talking about life & catching up on things. She told me how nice it was that we always welcomed her when we were all together & that felt nice to hear. Her & Jackie had a special bond that I'm a bit jealous of, to be lifelong friends through all of the years. My deepest condolences go to her daughter & the rest of her family. Thankfully she is now at peace with her father & is no longer suffering. She will be missed by many. You're all in my thoughts & prayers at this difficult time. “ While we were never blood related to The Progar Family we still consider them all our Family. Not only did I and many of my family members have the pleasure of working with LouAnn, we also tried to get together as much as possible after those many enjoyable years of working together. LouAnn always greeted us with a hug, her wonderful warm smile and many enjoyable hours our laughter. As my daughter said LouAnn Was A Ray Of Sunshine. I know she is shining down on her Mom, her siblings, her Aunt Karen, her daughter and all who had the pleasure of knowing this Ray Of Sunshine! With All Our Love, Gail and the entire Reichl/Dotson Family.

She just seems to be a fun person. I'll miss you not being here for my friend, she loved and spoke of her Sister so very much. God Bless you Lou Ann. God has a plan, we don't know yet what it is, but we all our part of it. Rest Peacefully my Sister in the Lord.*

“ I had the pleasure of working with LouAnn for almost 2 years. The most consistent part of many peoples days was the warmth and caring nature of Louann. She was quick to laugh, always a joy to be around, and brought so much happiness into others peoples lives each day. She will certainly be missed, but not without recalling all the light and positivity she carried and shared with others.

“ My thoughts and prayers are with the family and all of her friends. We grew up together, and I always felt like she was like a sister to me, even throughout the years when we seen each other we always hugged and talked like we never missed a day. I know she is in Heaven watching over us all, and I can just imagine all of our loved ones are gathered around, like we used to do at the farm, and be happy celebrating she is no longer in pain.
