“*Mrs. Durbin was only my teacher for third & fourth grade but she was my guardian angel throughout my entire time spent at Fatima. She was an exceptional person who took the time to take a shy little girl who had a very difficult childhood under her wing. The impact her kindness had on my life was tremendous. I have always credited her for setting me on the path to my personal success. I have spoken of her often to my husband and children.*

*My sympathies to her family and friends. May the pain of your loss be lessened by the warmth of her memories. She truly was Amazing.*
