“ Marie opened her home and family to me and my son for many years in August during San Rocco. The food was always amazing but paled in comparison to the LOVE you could feel when at their home. It amazed me how the family came together every year and I bet if San Rocco wasn't a thing then there would have been some other annual event which brought everyone together.

I consider myself lucky to have known Marie and Greg and will always remember them for their openness and inclusion.

“ My most memorable memory is coming to Aunt Marie and Uncle Yudy's home for San Rocco weekend. The food, laughs and memories that were made were priceless! My earliest memories were going to Plan 11 house to have Aunt Marie cut our hair. I could go on and on but my dad always said...they are like family💖
