“*Margie was my big sister ever since I was a little girl and tagged behind her and my brother, Mick. We had many good times together shopping, chatting, visiting, going to church and breaking bread together. We laughed and prayed together. It was a treat to visit her and Mick where they always had a good meal and a good rest and always a trip to Dairy Queen. Love you Marge. Thank you so much for the love you shared.*

“*Marjorie was my old neighbor during the 60's on Plan 12, Irwin St. She was the kindest person I've ever known, Marjorie and her family would have done anything for anyone who was in need of help. She is now at rest with Mick and Butch, prayers to her and the family she has left behind.*
