“ *Deepest condolences to Mary Ann's family. They say you never forget your first love, and you don't, even if you were only 10 at the time. Mary Ann was mine, and despite the passing of so many years, my wonderful memories of her are so very fresh. She was a joy to everyone who knew her, and one of the kindest souls I've ever encountered. May her memories be a blessing to her family; may her light live on in the hearts of those who loved her.*
