“ My mother, Mary Fetsko Ortseifer, and MaryAnn were first cousins. MaryAnn’s father and my Mom’s mother-Irene Nadzam Fetsko-were siblings. I saw MaryAnn as I was growing up when her Mom-“Aunt Lea” visited my grandparents and at family events like christenings, graduations, weddings, funerals. My older sister, Marybeth Ortseifer (now deceased) and MaryAnn were two years apart in age and were playmates over the years. I last saw MaryAnn at a Fetsko family picnic about 10 years ago and was unable after that to get a valid mailing address to contact her. I’m sorry to hear that MaryAnn passed away. I offer my deepest condolences to her sons and your families. I pray that she enjoyed a happy reunion with her parents and our family members who predeceased her. God bless you all.
