“ Dear Gloria, Mary Ann and families, I was very sorry to read of your mom's passing, Unfortunately, because we were away, I didn't find out in time to be able to make it to the funeral home to pay my respects to you in person, but I wanted you to know that I hold you close in thought and prayer. Our parents were such good friends, and I have many (now OLD) memories of good times together, filled with their laughter. I'm grateful for all of them. Also, if your dad hadn't introduced my dad to my mom, my brothers and I would never have existed!! I can still see your so pretty mom in my mind's eye, with her beautiful smile. She was always very kind to me. It's hard to let them go, no matter how old or what the circumstances are. I hope you find great comfort in looking at old photos and reminiscing about happier times. Sincere sympathy, Bonnie Lise Weber
