“ *My thoughts are with Jeff, Suzanne and Ricky. I have loving memories of your Mother and each of you as well. I was fortunate to have known all of you and will never forget you all. Still recall sitting on the top of the hill at my house in Wisconsin with your Mom, Jon and Suzanne one summer day. Nina was the most caring and loving woman I ever met. You were blessed to have her as a Mother.*

Jan, Thank you so much for your kind words. We really were blessed, weren't we? I have fond memories of our visit to your home in Wisconsin, as well as the fun times we had when you lived here. Thanks for thinking of us. I will tell Jeff and Ricky that you contacted us.
