Patricia Lynn "Patti" , 69, of Center Township, passed away peacefully on November 17, 2024, following a brief illness.

Born on November 8, 1955, in Sewickley, PA, Patti was the beloved daughter of the late Pasquale and Dorothy (Dubrowa) Mastellino. “ Our condolences to Patti’s family. What a devastating loss for the Zapko family.

I met Patti when we were in high school. My family moved to Center when I was a junior in high school. I was the new girl and felt left out. Patti invited me to her pajama party. She and her Mother were so nice to me that I felt included, it’s a fond memory of Patti and her mom.

I will miss seeing Patti with her beautiful family at Sunday mass. Her smile and warmth will never be forgotten. God bless your family, sending you all love and prayers.

“ *Patti served the mission trips of Franciscan University for several years, helping us successfully send out 14 trips annually across the US and Central America. The number of lives changed through Patti's contribution to mission work are countless. Patti was a beautiful woman, a joy to work with, a mom to us all, and a faithful servant of Jesus. I was blessed to work with her for some of those years. She loved me and every student she served with the heart of Christ. She lived a life of sacrifice, going above and beyond for all of us. WE love you, Patti! Thank you for reminding us to live joyfully and be on mission every day!*

“ *Our deepest condolences to Patti's family. Patti was such an extraordinary person. Every positive adjective could be used to describe her, especially selfless. She always was concerned more with needs and wishes of others than her own. A good friend of many years who will be truly missed. The "landscape" will never look the same, but so thankful to have met Patti and to have memories of my "gal"friend!*

“ Patti— Thank you for always being a reflection of the love of Jesus. As heavy as your cross was, you were always helping all of us to carry our cross. And then dropping off food!!

“ Patty and I met through our daughters attending summer theater camp. We stayed in touch over the years but now I see not nearly enough. She had such an outgoing vibrant personality And a beautiful smile and laugh. She gushed about her grandchildren and spoke often of her family. She loved cooking and was always shopping or preparing for a big meal. I certainly will miss my friend. She loved her Lord and I know that is where she resides now. My deepest sympathy to her loving family.
