“ Mom,

Whenever we are missing you, we also remember how fortunate we were that you were in our lives. We could not trade those wonderful times and experiences for the world. Thank you for being a mom who nurtured me throughout the years. As I fast forward, I remember how you shaped my life. Traveling through Europe with you introduced us to even more great adventures! The wonderful journeys were endless. We love you and miss you.

It seems not that long ago that Patty, Mary David and I were together in 2nd grade at St. Joseph's School in New Brighton. Going through elementary and high school, I remember our walks and important conversations about boys. Patty and Mary went on to have great successes in their lives, which I greatly admired. I miss you, Patty. May you rest in peace.

We've know Pat for many years. She was my entire family's attorney. We got to be very close friends. She was so helpful and kind. I loved to hear stories of her travels. We will miss her but she's not suffering and is in Heaven now. Rest in peace dear friend.

“ *I had the pleasure of being in a poetry group with Pat and I loved hearing tales of her adventures. We have been missing her in our little group since she became ill. Our band of kindred spirits is, indeed, diminished without her but I am glad she is now free of her sufferings.*

As for my favorite memory.....I remember one cold January night when I was having chemo and had lost my hair. She had ordered several beautiful head coverings fo me and when she met me at the door she handed me the surprise and said “ don't let anyone tell you you can't be stylish just because of a temporary bit of hair loss and cancer.....your going to look great in these”, I don't know which was the greater gift.....the thoughtfulness of the scarves or the kindness of her words.

*She will be missed and remembered
