“ *My Dearis Richie,*

I remember the day we met in 1984 at Harpon Harrys in Sunset Beach Ca.

We have been friends for over 3 decads and I always though of you as a great friend.

I was shocked to hear about your death and I'm still in disbelief!

We went to so many places together over the years and I remember you would give

me houseback rides on your back.

I'll never forget you and all the great times we had together.

Your great's friend,

Nancy Turney.
