“*Bob was a great brother. We were quite close growing up in the Churchill area of Pittsburgh and we had two wonderful parents who loved and cherished us, both of them gone now. To me, Bob will always be the big brother who cared about me, and I will miss him terribly. I pray that his wife, Connie, will find peace in his remembrance and with the wonderful memories she will have of Bob. I know I have many wonderful memories of him. I love you very much Bob. May you find peace in God's love for eternity.*
