“ It seems like just yesterday that Ron and I were kids growing up in the West End of Pittsburgh. We attended school at St. James for twelve years and survived that tough town and the generously dispensed disciplines of our teachers, the Sisters Of Charity (God bless them. They prepared us for the world without our knowing it). We went our separate ways at graduation and didn't see each other again until our 50th class reunion, where we first met Margaret (and vice versa). We then spent an altogether too short a time enjoying our renewed friendship with Ron and Margaret each time we were able to visit Pittsburgh. We planned more but the Good Lord has His own time table and they were not to be. But we are consoled that I was able to reunite with Ron and that we were able to meet his warm, loving wife Margaret and share with them fond memories. Margaret, please accept our deepest sympathy for you and your family on your loss. We will miss him.
Rest In peace Ron.
With Much Love

Margaret, we can not express how much we have enjoyed having you and Ron as our neighbors! I will surely miss my chats with him (and his cigar) while he washed his car or did gardening. I sure hope our little dog Tink (Killer) as Ron called her are on the golf course together and she is chasing his golf balls.

Rest with God Ron
