“ Bonnie, Lacey and Olivia - My deepest sympathy for the loss of your Husband and Father. I worked and traveled extensively with Ron for 22 years while at AmeriNet/Intalere. He would always update me on the family activities and events including the family pets. He was especially proud of both of his daughters. He frequently shared photos of family vacations, school and sports events. He loved spending time with you. Ron was wonderful to work with and very welcoming to me when I joined the AmeriNet Team in 1996. He will always be remembered.

Sincerely, Mike Merrigan

“ Bonnie, Lacey and Olivia - We offer to you our deepest sympathy for your loss. Ron and I started at Amerinet the same week in the Pharmacy Division. Over our 25 years of working closely together we shared many many laughs and good times as well as a few tears together as we lost coworkers and industry friends along the way. Ron was always receptive to listening to other team mates and creative in developing new programs and services. Always the proud husband and father, Ron was quick to constantly update us on all the new developments with you all. We will miss him and keep his memories close always.

“ On behalf of the DiGiovine side of his heritage, Ronnie made each and every one of us so so proud! His deep family values were always front & center. His chosen profession in the same tradition as his uncle pharmacist John DiGiovine and cousin pharmacy manger/co-owner Claude DiGiovine was a natural, plus his insistence of staying engaged with extended family from East to West coast! A great 1st & 2nd cousin to all of us!!!!!!

“ From my first day as the helpful classmate at Duquesne to the "entertaining" groomsman at our wedding- Ron was the prescription for laughter. We learned to say "West Aliquippa" with a variety of Pittsburghese accents.

Hearts are broken as we learn of his passing. From skilled clinician to a loving man dedicated to wife and family- Ron will always be remembered for the comic relief that erupted with his presence. Rx: R.I.P Ron

“ Bonnie, Lacey and Olivia

No words can express the feeling of loss with Ron's passing. He was a wonderful boss and mentor to me during my time at Amerinet. There was never a time when he couldn't interject a moment of levity to any conversation despite my seriousness. It always helped refocus the issue.

Aside from work, Ron and I had a special connection in that we both have adopted daughters. We had several conversations about adoption, being that my wife and I adopted our daughter several years before Lacey and Olivia came into his life. Our daughters were always a pleasant topic of conversation between us.

My heartfelt thoughts and prayers go out to you during this time. Know that the passing of a loved one is but a temporary separation, until we all meet again.....

Sincerely,
Bob Baglini

“ Lacey and family,

I was so saddened to learn of the loss of your beloved father. I know he was proud of you, as parents are of their children and was looking forward to meeting them both, not to tell them you are wonderful, they know that already, but to congratulate them on raising such a beautiful, intelligent, and amazing daughter. He is with you always, look for the signs, they will be there. Lifting you and your family in prayer, sending love, sympathy, and wishes for wonderful memories to sustain you. XXOO

“ Bonnie, Lacey and Olivia,
My heart breaks for you. Ron was such a sensitive and caring person, and a terrific boss. A day never went by that he didn't share stories about his family. We had such fun times when the Specialists all worked together at the 500 building. Always smiling and ready for a prank, he was one of the most knowledgeable in his field. Dr. Ron will forever be special to us all.

“ Dear Bonnie, Lacey & Olivia,
I have worked with Ron over the last 15 years at Amerinet/Intalere and had so much respect for his knowledge, his willingness to help and his strong work ethic.
I don't think I ever had a conversation with Ron that he did not talk about you, his family. The last conversation I had was regarding how excited he was with his "girls" and their college choices...he will definitely be watching over all of you now amongst the angels:)

“ Bonnie, Lacey & Olivia,

Over 30 years ago I met Ron at an interview for my first job at Hospital Shared Services. During the following years he was a great boss, mentor, colleague and most importantly friend. Some of our best memories include being at he airport twice when the new members of the Rovnak family arrived from China, the opportunity to witness the development of Lacey and Olivia into beautiful and intelligent young women and our many business trips together to support the members of HSS / Amerinet. His dedication to the three of you was and is inspiring. There was no better family man. His memory will always be with us and I know that he is and will be watching over you.

“ Bonnie, Lacey & Olivia,

On behalf of Ron's friends at Healthcare Council of Western Pa., we want to extend our deepest sympathies on Ron's passing. Ron was one of the most respected professionals at Intalere and revered as a friend and colleague. Personally, I will miss our conversations about West Aliquippa and our Catholic faith. He was simply put, a great guy.
