“ I had the privilege of working with Rudy this last year at the hardware store. He spoke of his family often, how much he loved them and how proud he was of them & appreciated everything they did for him. He spoke of his church and how much he appreciated everything. We all will miss Rudy, but there is a 4 legged young lady, Missy that I am sure has a void in her life right now with her best friend gone. Rudy it has been a privilege to know you. You are with your parents and brother now. May God bless.

“ Lori and Robin, I am so sorry to learn of Rudy's passing. I remember him as " the little brother" hanging around when we were younger. May you get comfort knowing he is in peace.
