“ Aunt Sally was a precious part of my childhood and teen years when I had questions that only she would answer. She was direct and treated me like a valuable part of her life. I cherish my memories of her. She will always have a special place in my heart.

“ Sally was like a grandmother to me. She was the closest thing I had to a grandmother in PA. She is kind and open-hearted as she accepted me as one of her own. I have so many wonderful memories of and with her. I loved her wisdom and her sassiness. I wish I could be there to give a proper goodbye. I love you guys. I'm thinking of you always.
