“ *Buck, Trev and Byny: It was with great sadness this morning that I read of Shirley's passing. I haven't seen Shirley, to my recollect, in nearly 20 years, perhaps longer. I'm writing this note to make you aware of how much my mother enjoyed her friendship with Shirley and subsequently, the entire Gregory family. My earliest memories of your family dates back to Sharon Grange and the fun that was had at the weekly square dances. Also, the great love my sister Judy had for Buck and Trev. Please excuse my rambling; however, I would be remiss if I failed to share some good and positive thoughts about folks and friendships washed lightly by time. May God truly bless your family during this period of grieving. Regards, Bob Peoples*
