“ *Bob. Sorry to hear about your mom. Never easy no matter the age. Had no idea that your mom was from overseas. I did of course know about your frequent trips to see her and the added benefit of the famous soup. She certainly has left a large family who I am sure will miss her. Take care Ron Earp*

“ I have known since my birth. She was my mother's dearest friend. Their mothers were very close as well. Our lives intertwined with our families, starting in West Aliquippa. The thing I remember if her is she always called me “her favorite”! God Bless her and the family.
