“ I meet Vicki while attending City of Aliquippa Meetings. Some may have thought I didn't like her. That was farthest from truth. I posted what I saw. She was was always very honest with me and kind.

She gave me a few tips on how to make her homemade gravy "spaghetti sauce".

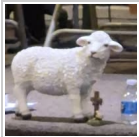

Invited me into her home to sit and speak to her beloved husband and herself. She proudly showed me the wall garden they built together.

I admired the many firsts that she, as a woman, accomplished in Aliquippa City Government.

She was one of the first woman of Beaver County government that made an impact at the County level while working at the Beaver County Courthouse.

You will be missed. Thank you for your service and inspiration.

“ I had the great opportunity to meet Vicky and her family at their home over a meal. She was warm and gracious to me and i was touched by the love toward me. She had a dedication to her family and her town. I am blessed to have met her and never was a stranger but a friend. You dont get that these days. I hope to meet more like Vicky and her family. “ *Vickie’s family and my family have some great memories together. She was always someone who inspired me with her strength and dedication, especially when it came to her family. She knew what to say to make a room laugh. She was fun, loving, talented, and fierce. She fought so hard for so long with her whole being...something to be admired and respected. She was SO loved. We will all miss her, her beautiful smile, and her feisty spirit. Rest In Peace, “Catwoman”. The world won’t be the same without you in it.*

“ She and I worked closely together when she worked for state legislators and I worked for a U.S. congressman.

She was very caring, even to people who were not her constituents.
