“ I will always cherish the many memories from good “family times” that we had with Uncle Bill, especially when I was growing up. This included the too-numerous-to-count occasions where we gathered for summer cookouts, ball games (all sports), time at Pop Pop’s cabin up in the mountains, all Holiday family gatherings, several boat rides down at the River, and many other fond memories. I always appreciated Uncle Bill’s smiling face and frequent laughter at whatever happened to lighten our collective spirits at the time. It was a true blessing in my life to have as great an Uncle as he was. He is remembered fondly by me and my family and we will truly miss him. May God Bless and Keep Uncle Bill.

Lovingly Offered by,
Chuck Roth (Nephew)
