“ *Geets and family.  
Our deepest sympathy for the loss of your mother. My best memory of your mom is back in 1979 at Cal U. IUP traveled to your home field and after the game, with your mom, dad and sister present, we all met as a group. We gathered in the parking lot and reminisced for as long as we could before Danny and I boarded the bus back to Indiana. Joe and Mary David were there as well. It was a special time. Your mother's smile was bigger than your sisters! I'll never forget that. I remember how proud your father and mother were of you. It was hard to say good by back then and even harder now. May she rest with the angels and continue to smile with joy. Your friend, Danny Burns*
